NEW SERVICE TERMINATE MOVE ADD AZURE SUBSCRIPTION **GET RAW DATA**

En esta parte seleccionamos algunos filtros antes de exportar el reporte requerido. En el campo **Include reseller price** marcamos la casilla en caso deseemos agregar nuestro precio como resellers al reporte

The screenshot shows a web application interface with a sidebar on the left and a main content area. The sidebar is titled 'COMPANY STRUCTURE' and shows a list of companies under 'All companies'. The main content area is titled 'Get Raw Data' and contains a form with the following fields:

- Include reseller price \***: A checkbox that is checked. Below it, the text reads: "If selected the sent file will include the reseller purchase prices."
- Month \***: A dropdown menu showing '2021-10'. Below it, the text reads: "The month for which the data should be received."
- Billing Provider \***: A dropdown menu showing 'Reported month'. Below it, the text reads: "Choose to receive data based on reported or consumed date. I.e. on Microsoft side a resource might have been consumed in September but reported to the Cloud Marketplace only in October thereby it was billed in a different month than actually consumed." Below the dropdown, it says: "Data will contain lineitems that were reported to Cloud Marketplace in the selected month. Billing is according to CMP month."
- Azure Subscription \***: A dropdown menu showing 'All'. Below it, the text reads: "Select a particular Azure subscription within the Azure plan to get the raw data". Below the dropdown, it says: "Leaving the option All will send data for all the Azure subscriptions within Azure Plan."
- E-mail \***: A text input field containing 'arturo.bejarano@intcomex.com'. Below it, the text reads: "File with the data will be delivered to the provided email, comma separate emails are supported for multiple recipients."

At the bottom right of the dialog box, there are two buttons: 'OK' and 'Cancel'.

En el campo **Month** seleccionamos el mes del cual deseamos generar el reporte

En el campo **Billing Provider**, seleccionamos la opción Reported moth

The screenshot shows the 'Get Raw Data' dialog box in the Intcomex system. The dialog is open over a 'COMPANY STRUCTURE' sidebar. The 'Billing Provider' dropdown is highlighted, showing 'Reported month' as the selected option. The dialog contains the following fields:

<b>Include reseller price *</b> If selected the sent file will include the reseller purchase prices.	<input checked="" type="checkbox"/>
<b>Month *</b> The month for which the data should be received.	2021-09 2021-09
<b>Billing Provider *</b> Choose to receive data based on reported or consumed date. I.e. on Microsoft side a resource might have been consumed in September but reported to the Cloud Marketplace only in October thereby it was billed in a different month than actually consumed.	Reported month Reported month Consumed month
<b>Azure Subscription *</b> Select a particular Azure subscription within the Azure plan to get the raw data	All Leaving the option All will send data for all the Azure subscriptions within Azure Plan.
<b>E-mail *</b> File with the data will be delivered to the provided email, comma separate emails are supported for multiple recipients.	arturo.bejarano@intcomex.com

Buttons: OK, Cancel

En el campo **Azure Subscription**, podemos seleccionarla opción **ALL** para generar el reporte por todas las suscripciones de Azure listadas dentro del Azure Plan o podemos seleccionar una en particular

The screenshot shows a web application interface with a sidebar on the left and a main content area. The sidebar is titled 'COMPANY STRUCTURE' and contains a search bar and a list of companies. The first company is 'CLOUD SYNC 365', which has a sub-entry 'Azure Plan (Azure Plan)'. The main content area is partially obscured by a modal dialog box titled 'Get Raw Data'. The dialog box contains the following fields:

- Include reseller price \***: A checkbox that is checked. Below it, a note states: 'If selected the sent file will include the reseller purchase prices.'
- Month \***: A dropdown menu showing '2021-09'. Below it, a note states: 'The month for which the data should be received.'
- Billing Provider \***: A dropdown menu showing 'Reported month'. Below it, a note states: 'Data will contain lineitems that were reported to Cloud Marketplace in the selected month. Billing is according to CMP month.'
- Azure Subscription \***: A dropdown menu showing 'All'. Below it, a note states: 'Select a particular Azure subscription within the Azure plan to get the raw data'
- E-mail \***: A text input field containing 'arturo.bejarano@intcomex.com'. Below it, a note states: 'File with the data will be delivered to the provided email, comma separate emails are supported for multiple recipients.'

At the bottom right of the dialog box, there are two buttons: 'OK' and 'Cancel'.

En el campo **E-mail**, ingresamos el correo al cual deseamos se envíe el reporte de consumo. Luego, hacemos clic sobre el botón **OK**

The screenshot shows a web application interface with a sidebar on the left and a main content area. The sidebar is titled 'COMPANY STRUCTURE' and shows a tree view under 'All companies' with 'CLOUD SYNC 365' expanded to show 'Azure Plan (Azure Plan)'. The main content area is partially obscured by a modal dialog box titled 'Get Raw Data'. The dialog has a close button in the top right corner. It contains the following fields:

- Include reseller price \***: A checkbox that is checked. Below it, a note says: 'If selected the sent file will include the reseller purchase prices.'
- Month \***: A dropdown menu showing '2021-09'. Below it, a note says: 'The month for which the data should be received.'
- Billing Provider \***: A dropdown menu showing 'Reported month'. Below it, a note says: 'Choose to receive data based on reported or consumed date. I.e. on Microsoft side a resource might have been consumed in September but reported to the Cloud Marketplace only in October thereby it was billed in a different month than actually consumed. Data will contain lineitems that were reported to Cloud Marketplace in the selected month. Billing is according to CMP month.'
- Azure Subscription \***: A dropdown menu showing 'All'. Below it, a note says: 'Select a particular Azure subscription within the Azure plan to get the raw data. Leaving the option All will send data for all the Azure subscriptions within Azure Plan.'
- E-mail \***: A text input field containing 'arturo.bejarano@intcomex.com'. Below it, a note says: 'File with the data will be delivered to the provided email, comma separate emails are supported for multiple recipients.'

At the bottom right of the dialog, there are two buttons: 'OK' (in a blue box) and 'Cancel' (in a grey box). At the bottom left of the main application area, there is a '+ NEW' button.
