# Funcionalidad Migrate to NCE: Activación

Como primer paso, buscamos y seleccionamos la compañía del cliente final en donde deseamos establecer el relacionamiento GDAP.

The screenshot displays the Intcomex Cloud management console. The left sidebar shows the 'COMPANY STRUCTURE' with a search bar and a list of companies, where 'ECOSITIO MARKET' is selected. The main content area shows the details for 'ECOSITIO MARKET' (435348) under the 'ABBIE BOX S.A.C.' account. The interface is divided into three sections: 'COMPANY DETAILS', 'CONTACT DETAILS', and 'ACCOUNT INFORMATION'. Each section contains a table of key-value pairs with edit icons.

A continuación, se despliega una ventana en el configuraremos la invitación del relacionamiento GDAP.

The screenshot displays the 'Create GDAP invitation' dialog box within the Intcomex Cloud interface. The dialog is titled 'Create GDAP invitation' and contains the following fields:

- Email recipients \***: A text input field with a red border and a warning icon (triangle with exclamation mark) to its right. Below the field, the text reads: "Comma separated emails are supported for multiple recipients. An email to accept the GDAP invitation will be sent to the recipient list."
- Permission type \***: A dropdown menu currently showing 'Base Permissions'. Below the dropdown, the text reads: "You may either choose the standard permissions or pick specific permission set that you would like to use."

At the bottom right of the dialog, there are two buttons: 'OK' and 'Cancel'. The background interface shows a sidebar with 'COMPANY STRUCTURE' and 'ECOSITIO MARKET' sections, and a search bar at the top.

# Funcionalidad Migrate to NCE: Activación

En el primer campo **Email recipients \***, ingresamos los correos electrónicos de los usuarios a los cuales se les enviará la invitación del enlace GDAP. En caso de requerir el envío de la invitación a más de un usuario, los correos electrónicos deben estar separados por una coma (ver imagen referencial).

The screenshot shows a web application interface for 'INTCOMEX CLOUD'. A modal dialog titled 'Create GDAP invitation' is open. The dialog has two main sections:

- Email recipients \***: A text input field containing the email addresses 'arturo.bejarano@intcomex.com, aldo.barrios@intcomex.com'. Below the field, a note states: 'Comma separated emails are supported for multiple recipients. An email to accept the GDAP invitation will be sent to the recipient list.'
- Permission type \***: A dropdown menu currently set to 'Base Permissions'. Below the dropdown, a note states: 'You may either choose the standard permissions or pick specific permission set that you would like to use.'

At the bottom right of the dialog, there are two buttons: 'OK' (highlighted in blue) and 'Cancel' (greyed out). The background interface shows a sidebar with 'COMPANY STRUCTURE' and 'All companies', and a search bar. A large 'X' watermark is visible on the right side of the image.

# Funcionalidad Migrate to NCE: Activación

En el segundo campo **Permission Type \***, dejamos seleccionado la opción **Base Permissions** la cual concederá a Intcomex permisos básicos sobre el tenant respectivo.

The screenshot shows the 'Create GDAP invitation' dialog box in the Intcomex Cloud interface. The dialog has a title bar with a close button. It contains two main sections:

- Email recipients \***: A text input field containing the email addresses 'arturo.bejarano@intcomex.com, aldo.barrios@intcomex.com'. Below the input is a small text block: 'Comma separated emails are supported for multiple recipients. An email to accept the GDAP invitation will be sent to the recipient list.'
- Permission type \***: A dropdown menu with 'Base Permissions' selected. Below the dropdown is a small text block: 'You may either choose the standard permissions or pick specific permission set that you would like to use.'

At the bottom right of the dialog, there are two buttons: 'OK' (highlighted in blue) and 'Cancel' (greyed out). The background shows the Intcomex Cloud interface with a search bar and a sidebar.

Seguidamente, hacemos clic en el botón OK para enviar la invitación.

The screenshot shows the 'Create GDAP invitation' dialog box in the Intcomex Cloud interface. The dialog box is white with a dark border and contains the following fields and text:

- Header:** 'Create GDAP invitation' with a close button (X) in the top right corner.
- Email recipients \*:** A text input field containing 'arturo.bejarano@intcomex.com, aldo.barrios@intcomex.com'. Below the field is a note: 'Comma separated emails are supported for multiple recipients. An email to accept the GDAP invitation will be sent to the recipient list.'
- Permission type \*:** A dropdown menu currently showing 'Base Permissions'. Below the dropdown is a note: 'You may either choose the standard permissions or pick specific permission set that you would like to use.'
- Buttons:** 'OK' (highlighted in blue) and 'Cancel' (grey) buttons at the bottom right.

The background interface shows the 'COMPANY STRUCTURE' section with a search bar and a list of companies, including 'ECOSITIO MARKET' and 'Microsoft Organ...'. The top navigation bar includes the Intcomex Cloud logo, a search bar, and various utility icons.

# Funcionalidad Migrate to NCE: Activación

Luego de unos minutos, un correo electrónico es enviado a los usuarios seleccionados detallando la información de la compañía del cliente final, el tiempo de duración de los permisos y el enlace que debe ser aceptado por un usuario que posea el rol de administrador global (Global Admin) del tenant respectivo.
